In its Proceedings quoted above the Board sanctioned an extension of time until 31st March 1933 to the Taluk Board, Udipi, for the construction of the school building in S.No. 99/2 of Handadi village. The building has not been constructed. The Taluk Board was therefore called on to show cause why the land should not be resumed. The Taluk Board requests that one years time may be grant-ed as a special case. I request that the extension now asked for may be granted as a special ease. The building at present consists of a foundation only.
